

AMERICAN JOURNAL OF CLINICAL BIOFEEDBACK
Index to Volume

Adams, Jack, Pearson, S.C. Jr., and Olson, Natalie. Innovative Cross-Modal Technique of Pain Intensity Assessment with Lower Back Pain Patients Given Biofeedback Training	25
Anchor, Kenneth N., Beck, Sharon E., Sieveking, Nicholas, and Adkins, Joyce. A History of Clinical Biofeedback	3
Behrends, Rebecca Smith and Seeman, Julius. Personality Integration and Maximal Use of Biofeedback Information	111
Blanchard, Edward B. The Role of Biofeedback in Behavioral Medicine	126
Card, Robert D. Biofeedback in the Treatment of Sexual Deviation	31
Elder, S. Thomas, Lashley, Joyce K., and Steck, Charles G. Amyotrophic Lateral Sclerosis: A Challenge for Biofeedback	123
Godbole, Anil. Development of Stress Management Service at a Multispecialty Medical Clinic	65
Houts, Arthur C. Relaxation and Thermal Feedback Treatment of Child Migraine Headache: A Case Study	154
Kappes, Bruno M. and Morris, Robert C. Thermal Baseline Patterns on Psychiatric Patients and Staff	43
Kotses, Harry and Weiner, Howard. Effects of Home Practice Exercises on EMG Activity Subsequent to Biofeedback Training	103
Proceedings for the Fifth Annual Meeting of the American Association of Biofeedback Clinicians	70
Silverstein, Leonard, Krasner, Paul R., and Governale, Richard. Sensory Feedback Training to Enable "Blind Hands to See": A Pilot Program With Cerebral Palsy Children	131
Sim, M.K. and Ratnam, K.V. Long Term Management of Essential Hypertension with Self-Regulation of Arousal and Exercise	17
Small, Maurice M. The Effectiveness of Self-Administered, Unsupervised Biofeedback Training Using the GSR-2 as a Home Trainer	50
Tansey, Michael A. EEG Sensorimotor Biofeedback Training and the Treatment of a Six-Year-Old Asthmatic Child	145
